SAFETY INFORMATION - ESCAPE PLANS OF HUA'S BUILDING.

Main, official information only displayed on Greek version webpage at this moment (2024-06-07) <https://www.hua.gr/index.php/el/2024-05-29-05-03-24>

Emergency plan - Evacuation of premises

Premises evacuation is the quick and safe removal of staff and visitors from University premises in the event of a dangerous situation.

Evacuation is applied in case of an emergency such as fire and earthquake.

Presentation of Building Evacuation and Emergency Management Plan

Quick Instructions

[Emergency Escape Plan - Main Building](#)

[Emergency Escape Plan - Library Building \(Petroutsi\)](#)

[Emergency Escape Plan - IT Building \(Omirou 9, Tavros\)](#)

[Emergency Escape Plan - 89 Harokopou Building](#)

HERE in the Documents, you may find the same files, renamed in English, with comments, as mention of specific academic department and/or rooms in each Building.

HUA's MAIN Campus is situated on El. Venizelou Ave. 70, 176 76 Kallithea.

>>>In the premises, there is the **Central Building**, including wings A & B with the AUDITORIUM,

>>>and the **Petroutsi-Library Building**. This last has 4 Levels, the main entrance (= elevated ground floor) is at the 3rd level. At the 1st Level (=1st Basement) is the CEREMONY HALL. The LIBRARY is at the 4th Level.

On HUA's Tavros campus, at Omirou str. 9, there is the RESTAURANT and the Department of Informatics and Telematics.
