French journal dedicated to the French approach of cultural geography founded by Paul CLAVAL

Géographie et cultures (journal)

Géographie et cultures étudie la géographie culturelle, en centrant le propos sur le «tournant culturel» et plus largement les cultural studies. Depuis 1992, elle dresse un panorama actualisé en France et à l'étranger de l'état de la recherche dans ce domaine. La revue est conçue comme une plateforme d'idées, d'objets et de formats nouveaux, elle occupe une place originale dans son champ académique.

French journal of cultural geography, focusing on the "cultural turn" and more broadly cultural studies. Since 1992, *Géographie et cultures* gives an updated overview of the researches in this field both in France and abroad. Conceived as a platform of ideas, objects and new formats, it contributes to the renewal of geography.
